

LET OUR  
WITCHES CAST  
YOU A SPELL!

THE SPELL BAR AT MBS

*High Priestess* 

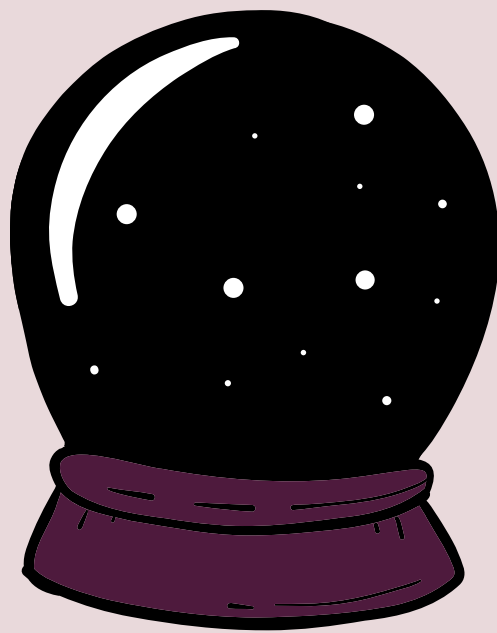

## STEP 1:

Choose your spell – do you want Love? Success? Abundance? Clarity? Fertility? Healing? You make your choice and write down your intention.

Not sure what spell you want? Get a Goddess Guide reading at our stand, where our Witches will see which goddess's energy is around you.

## STEP 2:

One of our Witches prepares your spell, packed into a spell jar.

They build and consecrate the spell, filling it with power.

## STEP 3:

You take the spell jar home and follow our simple instructions to activate it. The spell in the jar will begin working its magic once it's activated!

# COME AND GET A SPELL!
