# Building

Let us be your independent guide.

Each stage offers a detailed report to give you peace of mind through your build stages:

**BASE**

**FRAME**

**LOCK-UP / PRE-PLASTER**

**FIXING**

**FINAL (PCI)**

To complement the full package, we can also provide a **Contract Review** and a **Maintenance inspection** service.

Ask us about our discount packages!

Your experienced Inspector will keep a close check on the construction work through each stage and can explain the process to you.

Put your mind at rest

# Renovating

Let us assess the condition of your home and help you through the renovation process.

We can be your one stop shop for your renovation project.
