Why choose us?

Formation Lights designs and manufactures furniture and lighting with sustainability in mind. Each piece is infused with mesmerizing details, transforming homes into a natural oasis.

Our products are all locally designed and manufactured in Cambridge, New Zealand, ensuring the highest quality from start to finish.

Commission work

Do you have a custom furniture or lighting project in mind? Do you want a bespoke coffee or bedside table made?

At Formation Lights we are more than happy to explore your ideas and bring them to life.

We have extensive experience crafting storage shelves, cabinetry, vanities, and much more utilising our CNC technologies.

Locally made

Made right here in New Zealand. What stays local, helps local.

Sustainable

Designed and crafted using sustainable materials and manufacturing processes.

Experience

Each collection has a unique story of origin connecting users with nature.
