

# ABOUT "ART BY 3"

Proud to be exhibiting at Every Woman Expo for the first time, "Art by 3" is a collaboration of West Australian, emerging artists: Chanelle Chambers, Lauren Gibson & Natasha Mott.

Connected through their shared passion for creativity, the women forged a fast friendship of support, respect and celebration of each other's unique styles and expressive energies. It is this power, of female collaboration over competition, that sits at the heart of Art by 3.

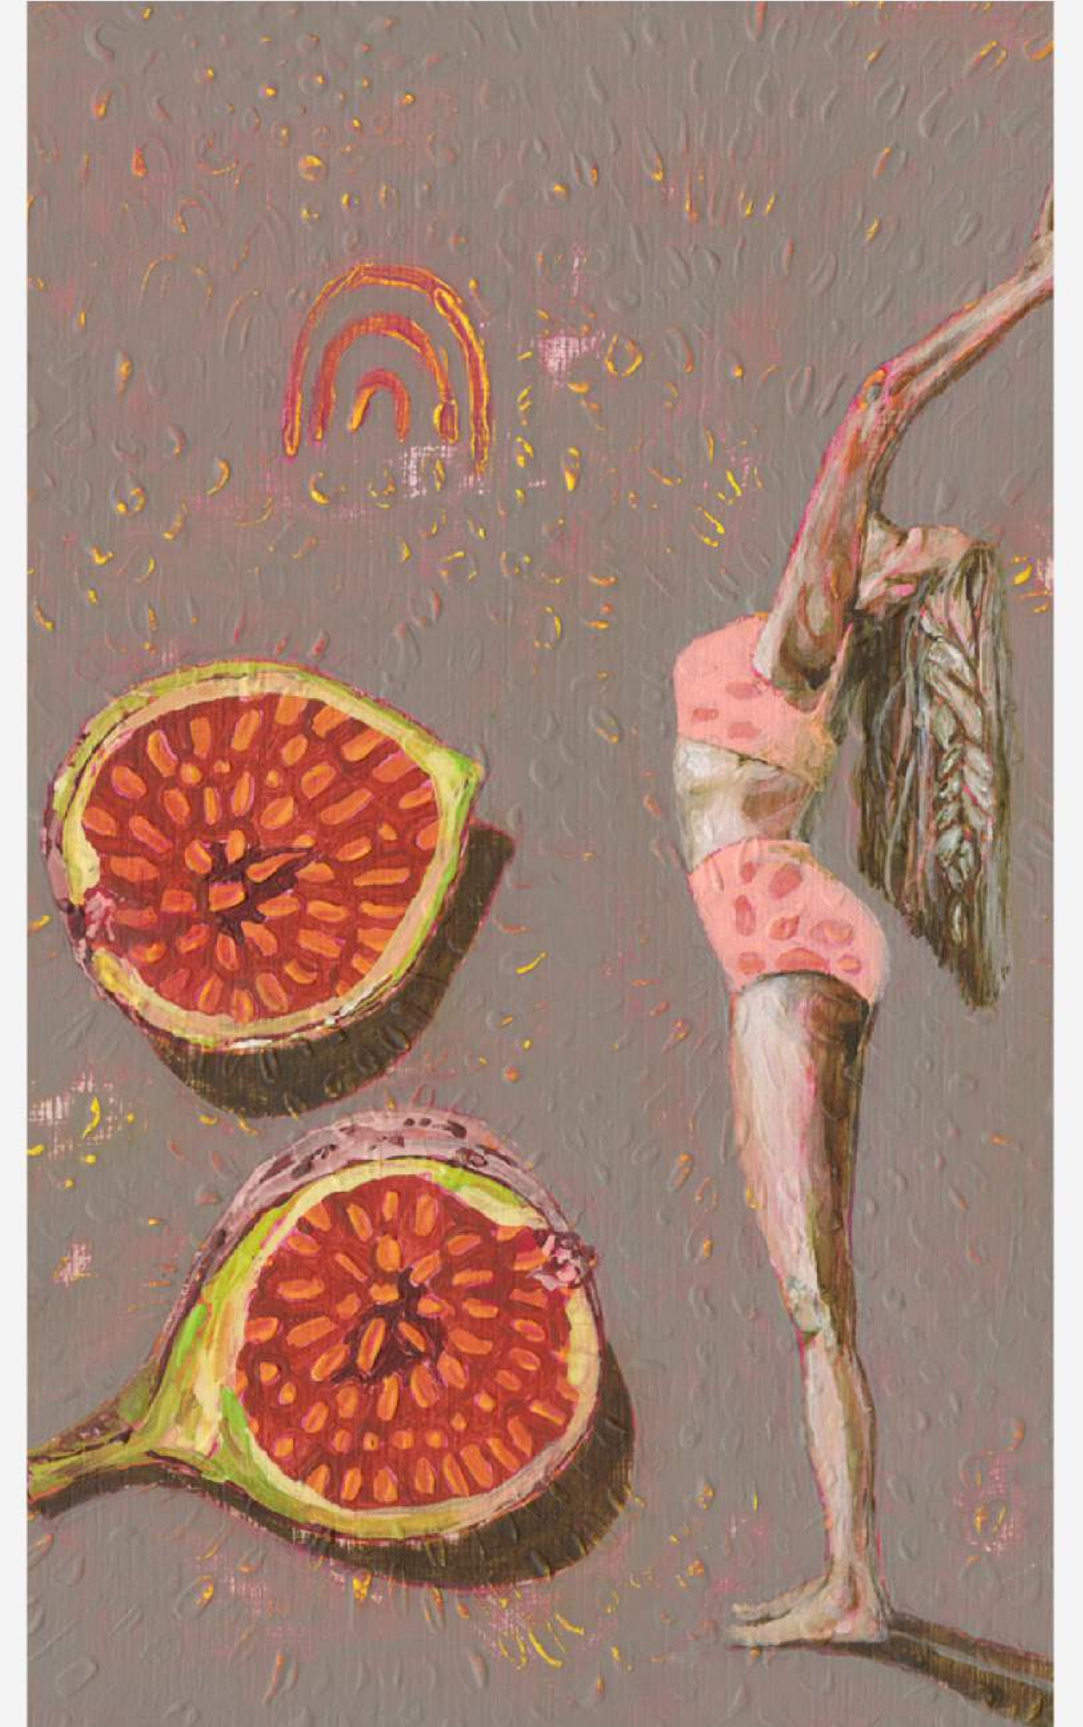

Chanelle, Lauren and Natasha invite you to immerse yourself in their world where they offer original art, prints, and giftware's to purchase, art commission services and a diverse range of creative expertise to advise and inspire you.

# CHANELLE CHAMBERS

Chanelle Chambers' artwork is all about bringing vibrant colours and a calming atmosphere into your home. 'Cha Cha' embraces the tactile quality of her artwork and seeks to bring the essence of the coast to life in ways that go beyond the canvas. By using acrylics as a base, she explores different mediums and incorporates natural elements, often sourced from beach walks, to capture the imperfect yet beautiful nature of the ocean.

CHANELLE'S ARTWORK PROVIDES A THERAPEUTIC  
ESCAPE, LIKE A REFRESHING DOSE OF VITAMIN SEA.

## MEET THE ARTISTS

LAUREN FEELS THERE IS NOTHING MORE REWARDING THAN INSPIRING AND CONNECTING WITH PEOPLE THROUGH HER WORK.

# LAUREN GIBSON

Lauren Gibson is a mixed media, abstract, and expressionist artist who loves to not only throw out the artists rule book, but to unapologetically paint all over it in vivid colour – and with a dash of cheeky humour. A deeply personal relationship with the therapeutic benefits of art inspires her to keep creating in the hope that she can heal the world, one glittery brush stroke at a time.

## MEET THE ARTISTS

PAINTING REMINDS NATASHA SHE CAN DO HARD (AND BEAUTIFUL) THINGS. SHE HOPES HER ART IS A REMINDER THAT YOU CAN TOO!

Natasha Mott's painting style is ever evolving swaying between illustration and impressionism. Natasha makes art that celebrates the joy of everyday life and the strength we find in ourselves and in community. Portrait commissions are a valued part of her practice.
