Our vast array of interior window shutters boast long lasting and beautiful finishes. Our relationship with global leader Norman Shutters ensures the best possible product for your home.

## Quality, tailored solutions

We pride ourselves on offering tailored solutions that meet the needs and style preferences of our discerning customers across Western Australia. To see our products for yourself, you can visit our factory direct showroom in Malaga. Alternatively, our on-road décor consultants carry our full range of fabrics and can help you with attractive and practical solutions for your home.

## Proudly WA owned and operated since 1974

Since opening our first outlet in The Piccadilly Arcade in the Perth CBD, the business has gone from strength to strength. As the company quickly expanded, so too did our need for space. After a series of relocations, we found a permanent home in our custom-built manufacturing and administration facility in Malaga. Still Western Australian owned and operated, we have built a strong management team and dedicated group of employees.
