

Extra Smarts.

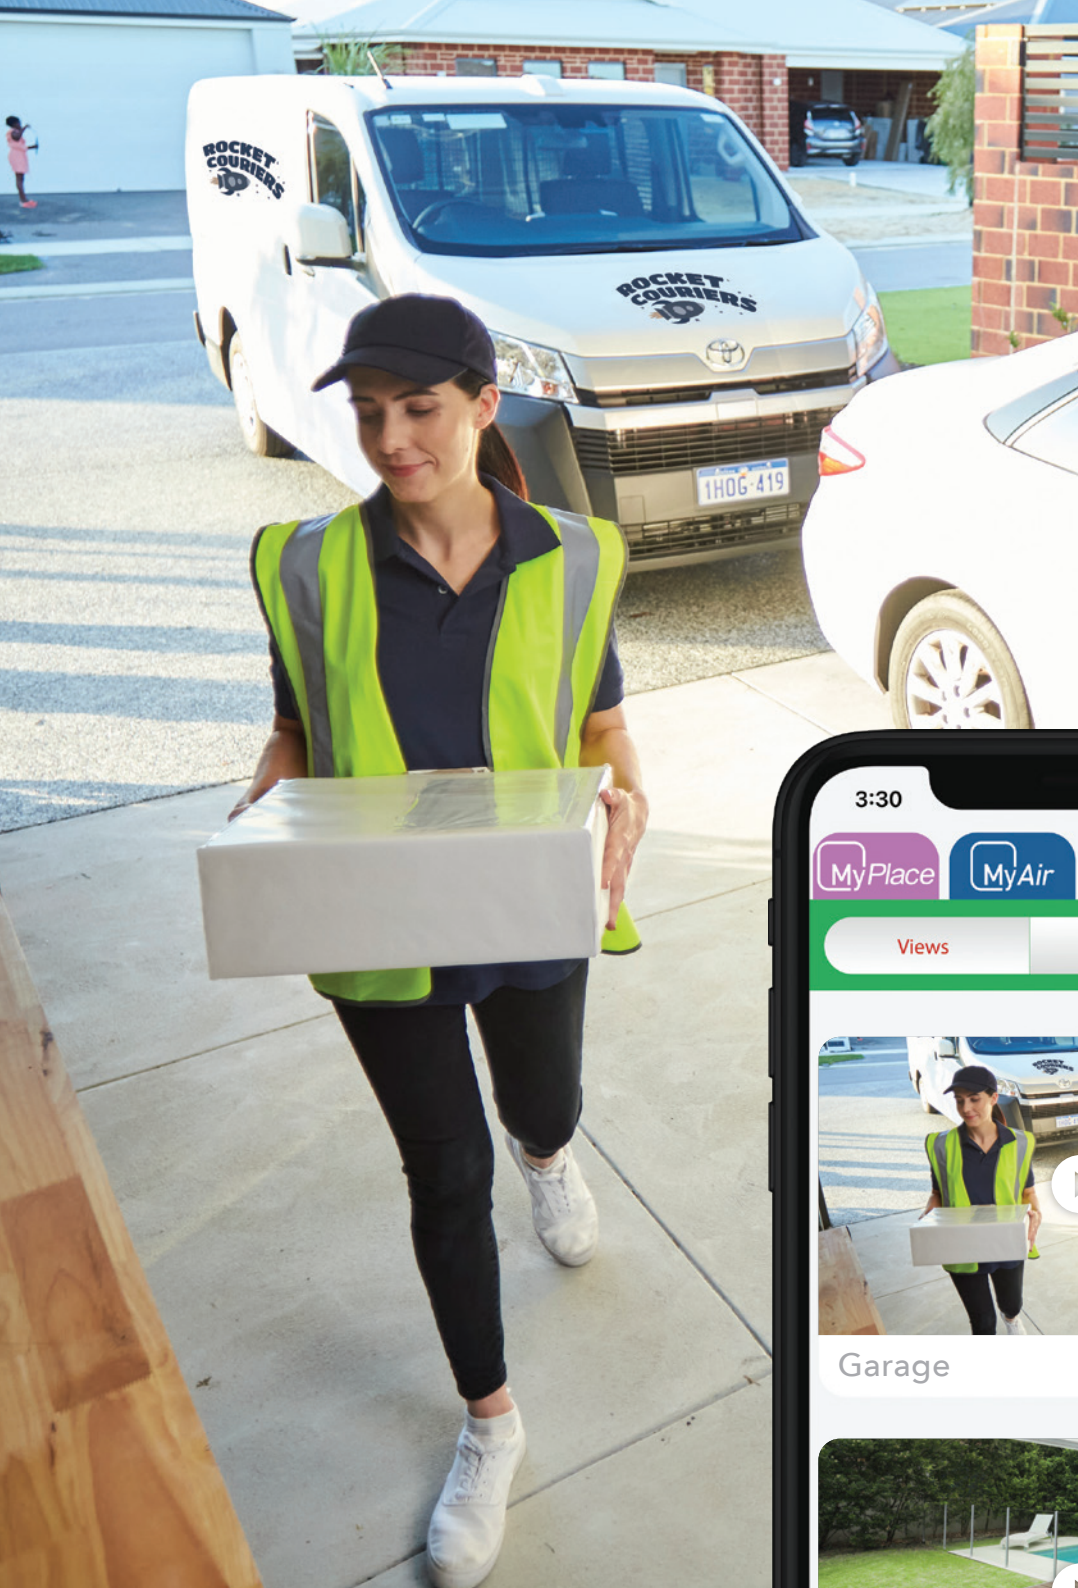

MyPlace & MyAir add-ons

Smart additions to your system.

Want to make your smart system even smarter? Our Extra Smarts add-ons increase the functionality of your MyPlace or MyAir system, quickly and easily!

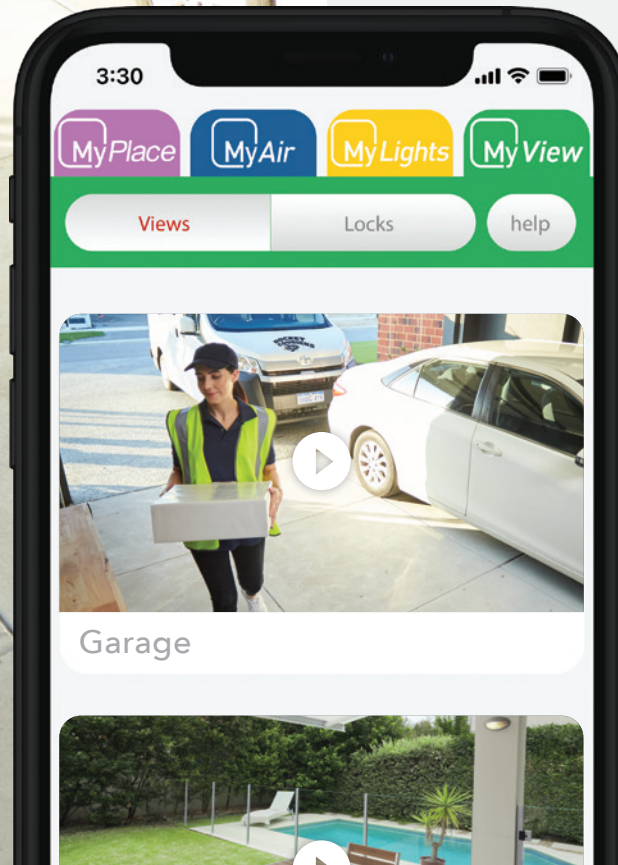

Security Cameras

Feel secure knowing you can keep an eye on your home, wherever you are, with MyPlace Security Cameras.

Check in on the dogs when you're not home with our mobile Indoor Security Cameras that can be moved to any room in the house. Want to keep an eye on your home from anywhere? Our Outdoor Security Cameras give you access to a live feed so you can check on parcels or look for unwanted visitors around your home. If motion is detected, a notification gets sent straight to your smartphone via the MyPlace app.

Outdoor Security Camera

Indoor Security Camera

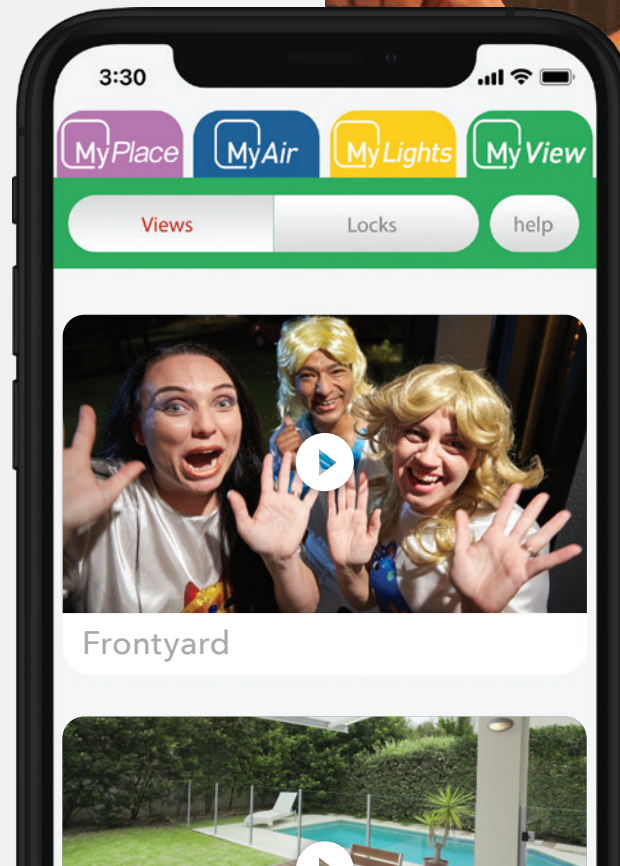

Video Doorbell

There's no mystery with the MyPlace Video Doorbell.

Whether it's a delivery, friends or unwanted visitors, the MyPlace Video Doorbell detects motion and sends a notification to your phone, so you always know who's at the door, wherever you are. Its two-way intercom allows you to speak to visitors so you can show delivery drivers where to leave a parcel, or let your mates know if you're running a little late.

MyPlace Video Doorbell

Smart Garage Control

Did you or didn't you close the garage?

MyPlace Smart Garage Control cures the nagging doubt and sends a notification to your phone if it is left open. With a tap of the app, you can close up to two garage doors from anywhere. Or use voice command - it integrates seamlessly with Siri, Google Home and Amazon Alexa.

MyPlace Smart Garage Control integrates with the MyPlace Video Doorbell and Security Cameras so you can open the door, ask the delivery driver to leave the package in your garage and close the door, all from your phone.

Turn your existing automated garage door, into a smart garage door.

Gainsborough Freestyle TriLock

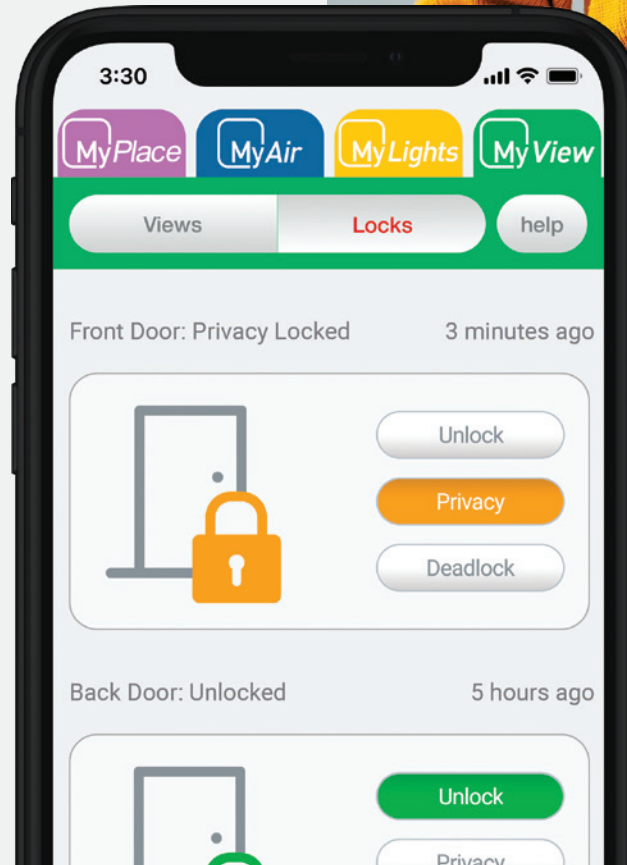

Want to make sure the kids get home safe after school? Have the guests arrived before you get home?

The integration of the Gainsborough Freestyle TriLock with MyPlace allows you to lock and unlock your front door and monitor your entry door from anywhere. All it takes is a ring of the doorbell and you can let anyone in with the tap of a button through the MyPlace app. You also receive notifications when your door has been locked and unlocked so you can have peace of mind knowing your home is safe and secure.

Gainsborough Freestyle TriLock

* Gainsborough Freestyle TriLock must be purchased before integrating with MyPlace.

MyPlace Dimming Kit

Bright light is great if you're cooking, working from home or doing a jigsaw. It's not so great if you're trying to set the mood for a party, watch a movie or get a little one off to sleep.

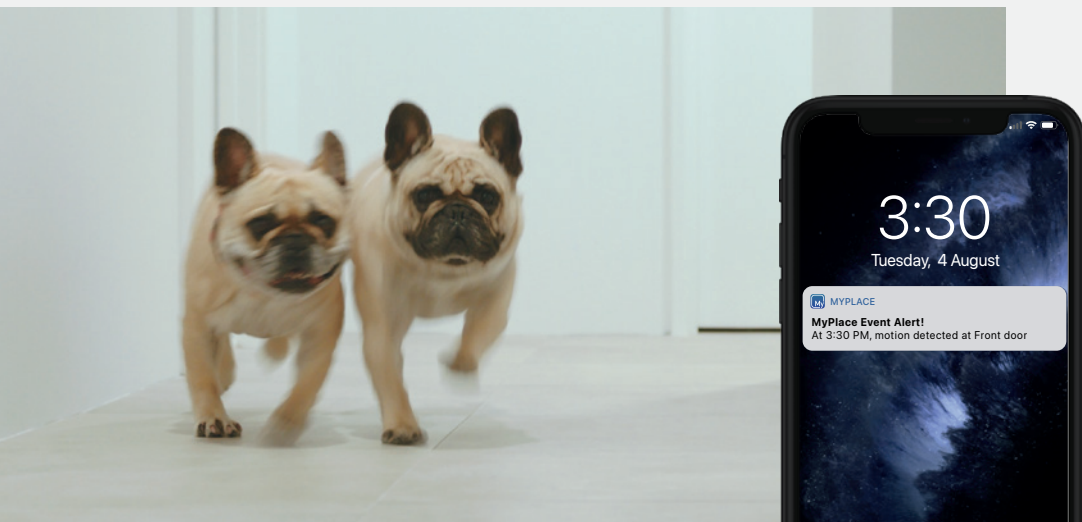

With the MyPlace dimming kit, you can adjust the intensity of any light with a tap of your phone or your wall mounted MyPlace control panel.

10" Touchscreen

Upgrade from our standard 8" touchscreen to the premium 10" touchscreen.

The larger screen will give you enhanced viewing and will make controlling your MyPlace system app and other third-party apps even easier.

MyMonitor

MyMonitor senses changes in motion, temperature and light. With the ability to set up to 20 events, its uses are limited only by your imagination. Set it to send a notification to your phone when the kids get home from school, or when the cleaner arrives and leaves. Schedule it to automatically turn on the air-conditioning when the temperature soars, or light up your home when you walk in.

At night feel safer knowing that MyMonitor will notify you of intruders, automatically switch on lights so you can see any danger and possibly even scare them away.

Additional Modules

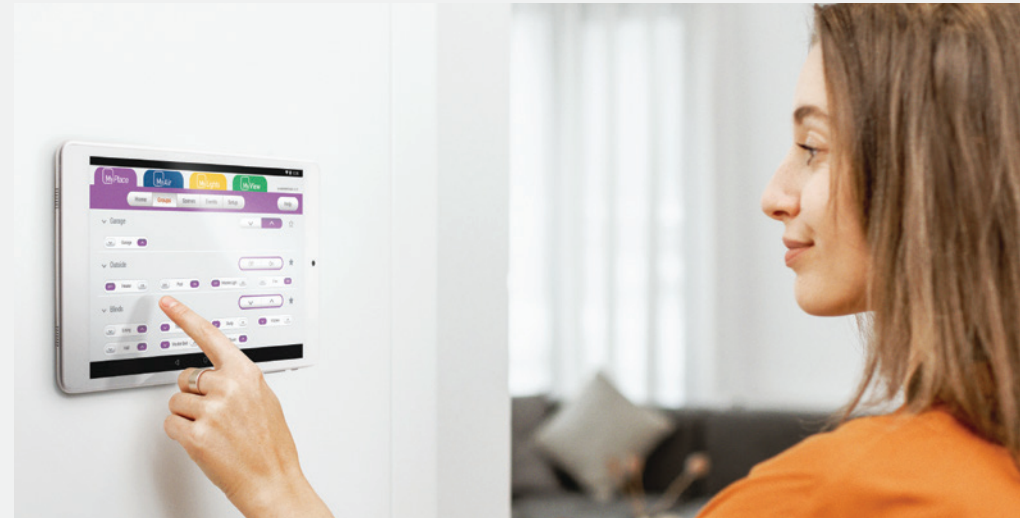

The MyPlace system you have been offered is modular so you can easily add modules now or later to make more of your home smart. Control additional lights, air-conditioning, blinds, electric gates or other 240 volt items in your home, the choice is yours.

Mirror Screen

A mirror screen is a second wall mounted control point of your smart home system and is ideal if you don't always have your smartphone with you.

Adding a wall mounted mirror touchscreen to a double storey home allows you to have the convenience of a screen on each level. If your home has been built on a narrow lot, you may wish to have a touchscreen at both the front and rear of your home.

MyMembership

MyMembership allows you to take care of your home from one place, MyPlace. With MyMembership you can integrate and control the following third-party items from your MyPlace app; Gainsborough Freestyle TriLock, Sonos and Philips Hue. You will also have control of the MyPlace security products: Video Doorbell, Interior and Exterior Security Cameras. Once you are signed in you will have the ability to add any of these devices via the 'MyView' tab on your MyPlace tablet. A small annual fee applies.

NOTE: MyMembership requires an android version 8.1.0 and above. To know the android version of your wall-mounted touchscreen, press the advance info in the options page.
