

WHAT'S YOUR KITCHEN STYLE?

Planning for a kitchen renovation is an exciting process. However, with so many variables and design decisions to be made, the perfect kitchen results from careful planning.

At Kitchen Connection, we turn kitchen dreams into reality through careful consultation with our clients and well considered design. Being able to brief your kitchen designer and having a full understanding of how you want your kitchen to look, feel and function will ensure you end up with a kitchen that you love.

We hope the planning tools we have on offer below are useful. Be sure to take advantage of our FREE kitchen design appointments to see how we can help

bring your dream kitchen to life.

THE HAMPTONS LOOK

One of the most popular looks at the moment, the Hamptons style draws upon a neutral base to create a casual yet elegant space. Natural materials, classic shapes and an island bench are key components.

SHADES OF GREY

Modern grey cabinetry looks right on trend nestled amongst the crisp white palette of this kitchen. A green wall splashback completes the look.

WHITE ON WHITE

All white kitchens are a popular trend. To ensure your kitchen isn't a complete whitewash, use subtle textures and colour in your flooring, splashback, lighting and benchtops for diversity and depth.

MODERN MONOCHROME

The pared back palette of this gorgeous kitchen aims for maximum impact. Select a neutral palette for your walls, cabinetry, tiles and bench and use black fittings and appliances as accents. Complete the look with tactile finishes on your island bench and flooring.

TWO TONE

Texture and tone combine to create this highly successful kitchen. The two tone colour palette adds design interest while the textured tiles, pendants and soft sheers ensure the style is memorable for all the right reasons. With an excellent layout and both above and under bench storage, this practical kitchen offers both form and function.

ELEGANTLY INDIGO

Indigo tones pair perfectly with crisp white cabinetry and benchtops for a classic Hamptons look. A textured tiled splashback, shaker style door profile and traditional handles remain true to the design inspiration while a circular window in the butler's pantry and tear drop pendants adding a modern touch to the space.

MODERN SHAKER STYLE

This gorgeous kitchen adds a modern twist to the traditional shaker style with two tone cabinetry and a herringbone splashback tile. The open and ample design allows for maximum storage while the concealed butler's pantry provides easy access to pantry staples, fridge and second sink and washing facilities.
