Fence panels and gates made from COLORBOND® steel are manufactured by our team in Queensland.

The COLORBOND® steel used to manufacture the fence panels and gates comes with a 10 year warranty*, is termite proof, does not catch fire and is built to withstand the harsh Australian weather conditions.

Fence panels and gates made from COLORBOND® steel are built to last.

They are easy to maintain and easy to install yourself. Alternatively we can recommend a local fence installer to assist you.

Fence panels and gates made from COLORBOND® steel can enhance the privacy and security of your home for you and your family.

SteelClad Profile

0.35BMT (Base Metal Thickness)

DUNE®

Corrugated Profile

0.35BMT (Base Metal Thickness)

Fence panels and gates made from COLORBOND® steel come in a wide range of panel styles and colours, including three sleek profiles: Sawtooth, SteelClad and Corrugated to suit the design of your home and outdoor landscaping.

You can also personalise your fence design by adding lattice, slats or post caps.

With 22 colours to choose from, COLORBOND® steel makes it easy to get the look you want.

Each COLORBOND® steel colour has been inspired by Australia's own magnificent backyard.

So whether you want colours that are subtle or bold, light or dark, cool or warm, you'll find a colour that lets you blend the natural charm of your garden with your home.

We can even powdercoat your matching gate here in our Brisbane workshop. Talk to one of our friendly staff today to discuss your next fencing project.
